

Summer Fair

Thank you so much for supporting our Summer Fair. The children really enjoyed preparing for it during our Young Enterprise Week. Seeing so many children and families enjoying the stalls and games was a lovely way to end the week.

As a result of your generosity, we were able to raise £1,958.63 which is an amazing achievement - thank you very much!

The class which managed to achieve the highest profit was Spitfire class with a total of £211.66 - entrepreneurs in the making perhaps!

Congratulations

Well done to Lewis who recently won the Under 11 district player of the year award. He was presented with a miniature shield to keep and his name and Cove Junior School has been engraved onto the main shield which is kept by the district. Lewis has also been selected to play for another year at Chelsea FC and will be going into their under-12 squad. An excellent achievement!

Words of the Fortnight!

To encourage our children to use a wider range of vocabulary, we set a challenge for the children which we hope you will join in with at home too. Every two weeks, a new word is introduced in each class and the children get rewards for using them in their writing or in conversation. Our new words are:

Lower School	Year 5	Year 6
'Equality'	'Aviation'	'Hereditary'
Noun - the quality of being the same in quantity or measure or value or status	Noun - the flying or operating of aircraft	Adjective - passed or able to be passed from parent to child

How often can you use these words at home?

Book Fair and Summer Reading Challenge

We were very pleased to welcome staff from Farnborough library into school on Tuesday who introduced the children to the library's Summer Reading Challenge. To support the children's reading during the summer holiday, we will be holding a book fair after school on Monday 16th July. The fair will take place in the school hall from 3:25pm.

Competition Winners!

Congratulations to Miss Freeman's Friday Workshop children - they won a design competition organised by TAG. The children were asked to design a new plane and had many amazing ideas for things which could be included on a private jet! As the overall winners, they took part in a visit to Farnborough Airport to experience the world of travel in a private jet - unfortunately without taking off!

Classes for September 2018

It has been very exciting to welcome our new Year 3 children during their recent visits and to hear the stories from Year 6 about their new schools.

We are looking forward to welcoming some new members of staff in September. Miss Crouch and Mrs Walden will be joining us as class teachers and Miss Hougham will be a Learning Support Assistant in Lower School.

I'm sure you will join me in welcoming them to our team in the new term, although the children who will be working with them directly will have met them before the end of this term.

France 2018

I had the pleasure of accompanying Year 6 on their residential trip to France last week. Thirty-nine children and 6 adults set off in the early hours of Monday morning and enjoyed a fun-filled week in the sun experiencing French culture and the history of D-Day and the Normandy landings. Over the years, I have been on many residential trips and this was most definitely one of my favourites. As usual, the children represented our school brilliantly with several members of the public even commenting on their excellent behaviour whilst out and about.

Sports Day Part 1

We had lots of fun in the sun today but unfortunately the temperatures kept creeping up and it was not possible to carry on with the afternoon events.

The track events will now take place next Friday 13th July in the morning. The children will assemble outside at 9:20am with the races beginning at 9:30am. The winners will be announced at the end and then children will return into classes for the rest of the day. Parents are welcome to attend but we will not be having a picnic lunch.

We will continue to sell tickets for the raffle next week - congratulations to Cara and Sofia who won the fruit hampers!
