

Sports Premium Funding 2015 - 2016

Primary PE and Sport Premium is an initiative that aims to help increase and improve the PE and sporting opportunities for children. It was first provided in the 2013/14 academic year and the current government has pledged to continue this funding until 2020. It is jointly funded by the Department for Education, the Department for Health and Culture and the Department for Media and Sport. It has been allocated to schools and is ring-fenced, meaning that it can only be spent on the provision of PE and sport in schools.

Number of pupils and Sport Premium funding received	
Total number of pupils on roll	294
Total amount of Sport Premium funding received	£9431

Support funded through Sport Premium allocation

This year we have used our Sports Premium funding to develop staff training in many areas of PE and to develop pupils involvement in sports throughout the school day and to extend their understanding of sports enabling a healthy lifestyle.

Gymnastics £3024

A specialist coach worked with the children and alongside our class teachers, teaching and developing gymnastics. Gymnastic sessions were modelled and team taught and strategies for assessment were shared. By employing a specialist Gymnastic coach for additional hours we aimed to:

- Encourage children to develop skills and develop their core strength.
- Develop the confidence and skills of all teachers in delivering appropriate PE and sports lessons.

Rushmoor Schools Plus £700

- Staff have attended sessions on:
 - Multi-Skills
 - Gymnastics
 - Athletics
 - Striking and fielding
- Paid for children to enter local competitions – Futsal and Indoor Athletics festival.
- Training for 12 Year 5 children to become Sports Leaders

PE equipment £1103

Our range of PE equipment was enhanced with the purchase of a gymnastics mat trolley, new gymnastic mats, PE kits and whistles.

Sports Clubs £470

A School Football team for years 5 and 6 has been running for 2 terms and a Friday workshop for Lower school.

Swimming course £860

A member of staff attended a Swimming course and is now a Level 2 Swimming instructor.

Playground leaders training £280

Our mid-day supervisors attended a Playground leaders training to develop active games at lunchtimes.

Runways end £1665 (For 3 blocks of courses)

This is a new initiative to help develop social skills, confidence and self-belief. A group of 10 children are attending the centre as a 6 week course and are completing a number of activities including; climbing, archery, high ropes, canoeing and team games. The groups of children will be rotated each half term.

Dr Bike £150

Dr Bike has attended school to complete health checks on pupil's bicycles. The aim to promote healthy lifestyle choices by encouraging pupils to cycle to school.

Arts week £640

As part of Arts week based on the theme of a Circus, we welcomed Splats Circus skills workshop to school and all of the children and staff enjoyed the experience.

Impact of Sports premium funding

Gymnastics £3024

After attending professional development training and working alongside our PE specialist 100% of teachers reported an increased confidence in their ability to teach PE and sport.

Rushmoor Schools Plus

- This was the first time that we had entered the Futsal tournament and we were placed 3rd out of 12 schools. At the Indoor Athletics festival we were placed 4th out of 12 schools. We are very proud of their achievements.
- All staff report increased confidence after their training in key areas and are using their renewed skills to enhance PE lessons further.
- Sports leaders have all been trained and will be assisting with the Mid-day supervisors in sporting activities at lunch times over the summer terms.

Sports Clubs

Over 90 children have attended the Lower School Friday workshop in the last 2 terms and have enjoyed the extra specialist Football coaching. The school Football team have played friendly matches with other local schools.

Swimming course

The extra swimming instructor will be helping with the teaching of Year 3 children during their swimming course early next year.

Playground leaders training

A range of games are available at lunchtimes to encourage children to be active and further develop their healthy lifestyles.

Runways end

This is a new initiative, the aim to improve confidence, social skills and working as part of a team.

Dr Bike

With the Walk to school initiative running across the school, the pupils are able to monitor how they travel to school and awards given to children for making healthy lifestyle choices.

Arts week

All children and staff enjoyed learning how to juggle, spin plates and many skills. The workshop enabled all children to take part and had a greater understanding of a being a circus performer.
