Dear Parents

Cove Junior School Pencil Cases – September 2020

At Cove Junior School we believe that children benefit from having their own set of stationery as this encourages individual responsibility, independence and respect for the school environment. In addition, this removes any shared use between pupils.

From September 2020, we will provide each pupil at Cove Junior School with their own, named, Cove Junior School pencil case. Children will not be required to bring in any stationery from home. The pencil case will contain all the stationery that they will need on a day to day basis (including a pencil, rubber, sharpener, handwriting pen, purple polishing pen, whiteboard pen, glue stick, coloured pencils, scissors and highlighters). Here is a proof from the printers of what our new pencil cases will look like.

As you will appreciate, there are additional costs to the school in providing a stationery set for each child in the school. We are therefore requesting a voluntary, one-off, parental contribution of £3.00 per pupil towards the cost of providing these for your child. The parental contribution can be paid via Scopay. The school will replace items, when they run out through normal use, whilst your child is a pupil at Cove Junior School.

Yours sincerely

Tracey Hickie
